

A close-up photograph of a woman with long brown hair, smiling broadly. She is holding a tall, slender flute glass filled with a golden, bubbly beverage, likely champagne. Her hand is in the foreground, with her fingers wrapped around the stem of the glass. She is wearing a black sleeveless top and a necklace with a small pendant. The background is softly blurred, showing another person with blonde hair.

WIN A PRE-WEDDING PAMPER DAY

for your bridal party at London Grace

The week in the lead up to your big day has to be one of the most exciting, yet stressful times during the wedding planning period. With the happiest day of your life within reach, but a final to-do list as long as your wedding dress train to get through, it is usually the unfailing members of the bridal party who come to the rescue! Needless to say when everything is finally in order, the bride and her right-hand women are in need of a fun, relaxing and pampering treat and London Grace is just the place.

London Grace is a social nail bar, fun cocktail lounge and independent coffee shop in one unique space. We offer the opportunity for groups to book a treatment table together, where they can catch up over coffee, cocktails or even a glass of fizz whilst a dedicated nail technician pampers them. London Grace is giving one lucky Ultimate Wedding reader the chance to win a pre-wedding pamper day for four, with Top Notch™ manicures and a bottle of pink fizz to start the celebrations off in style.

With a gorgeous selection of pretty pastels, romantic reds and understated nude polishes, a London Grace manicure will add the finishing touch to a bride's look and of course perfectly show off the new wedding ring. A pre-wedding pamper day is also a lovely way to show your appreciation to the mother of the bride, mother of the groom and maid of honour who have no doubt offered the most help and support during the planning.
